

# Cookie Policy of [www.contechsrl.it](http://www.contechsrl.it)

This document contains information about the technologies that allow this Application to achieve the purposes described below. These technologies allow the Owner to collect and save information (for example through the use of Cookies) or to use resources (for example by running a script) on the User's device when the latter interacts with this Application.

For simplicity, in this document these technologies are briefly defined as "Tools".

Tracking", unless there is reason to differentiate.

For example, although Cookies can be used in both web and mobile browsers, it would be inappropriate to talk about Cookies in the context of applications for mobile devices, since they are Tools

Tracking that requires the presence of a browser. For this reason, within this document the term Cookie is used only to specifically indicate that particular type of Tool

Tracking.

Some of the purposes for which Tracking Tools are used may also require the User's consent. If consent is given, it can be freely revoked at any time following the instructions contained in this document.

This Application uses Tracking Tools managed directly by the Owner (commonly called "First Party" Tracking Tools) and Tracking Tools that enable services provided by third parties (commonly called "third party" Tracking Tools). Unless otherwise specified internally of this document, such third parties have access to the respective Tracking Tools.

Duration and expiration of Cookies and other similar Tracking Tools may vary depending on what is set by the Owner or by each third party supplier. Some of them expire at the end of the session or at the end of User navigation.

In addition to what is specified in the description of each of the categories below, the Users can get more detailed and up-to-date information on the duration, as well as any other relevant information - such as the presence of other Tracking Tools - in the privacy policies of the respective third party suppliers (via the links made available) or by contacting the Owner.

## Activities strictly necessary to guarantee the functioning of this Application and the provision of the Service

This Application uses Cookies commonly called "technical" or other similar Tracking Tools to carry out activities strictly necessary to guarantee the functioning or provision of the Service.

### Other activities that involve the use of Experience Tracking Tools

This Application uses Tracking Tools to improve the quality of the user experience and allow interactions with external content, networks and platforms.

#### Viewing content from external platforms

This type of service allows you to view content hosted on external platforms directly from the pages of this Application and interact with them.

This type of service could still collect data on web traffic relating to the pages where the service is installed, even when users are not using it.

#### Font Awesome (Fonticons, Inc. )

Font Awesome is a character style visualization service managed by Fonticons, Inc. that allows this Application to integrate such content within its pages.

Personal Data processed: Usage Data and Tracking Tools.

Place of processing: United States - Privacy Policy.

#### Google Fonts (Google LLC)

Google Fonts is a character style visualization service managed by Google LLC that allows this Application to integrate such content within its pages.

Personal Data processed: Usage Data and Tracking Tools.

Place of processing: United States – Privacy Policy.

#### **Widget Google Maps (Google LLC)**

Google Maps is a map viewing service managed by Google LLC that allows this Application to integrate such content within its pages.

Personal Data processed: Usage Data and Tracking Tools.

Place of processing: United States – Privacy Policy.

#### **Widget Video YouTube (Google LLC)**

YouTube is a video content viewing service managed by Google LLC which allows this Application to integrate such content within its pages.

Personal Data processed: Usage Data and Tracking Tools.

Place of processing: United States – Privacy Policy.

Storage duration:

PREF: 8 months

VISITOR\_INFO1\_LIVE: 8 months

YSC: session duration

#### **Widget HERE Maps (HERE Global B.V)**

HERE Maps is a map viewing service managed by HERE Global B.V that allows this Application to integrate such content within its pages.

Personal Data processed: Usage Data and Tracking Tools.

Place of processing: Netherlands – Privacy Policy.

### **How to manage preferences and give or withdraw consent**

There are various ways to manage your Tracking Tools preferences and to give or withdraw consent, where necessary:

Users can manage their Tracking Tools preferences directly via the settings on your devices - for example, can prevent you from using or storing Tools Tracking.

In addition, whenever the use of Tracking Tools depends on consent, the User can give or revoke this consent by setting your preferences in the cookie information or updating those preferences via the privacy widget for consent preferences, if present.

Thanks to specific browser or device functions it is also possible to remove Tools Previously saved tracking, including those used to save your tracking preferences consent initially expressed by the User.

Other Tracking Tools present in the browser's local storage may be removed deleting your browsing history.

Regarding third-party Tracking Tools, Users can manage their own preferences by visiting the relevant opt out link (if available), using the tools described in the privacy policy of the third party or by contacting the latter directly.

Locate the Tracking Tools settings

Users can, for example, find information on how to manage Cookies in some major browsers distributed to the following addresses:

Google Chrome

Mozilla Firefox

Apple Safari

Microsoft Internet Explorer

Microsoft Edge

Well done

Opera

Users can also manage some Trackers for mobile applications by turning them off through appropriate device settings, such as mobile advertising settings or settings relating to tracking in general (Users can consult the settings of the device to identify the relevant one).

Consequences related to refusing to use Tracking Tools

Users are free to decide whether or not to allow the use of Tracking Tools. However, yes note that the Tracking Tools allow this Application to provide Users with an experience better and advanced features (in line with the purposes outlined in this document). Therefore, if the User decides to block the use of Tracking Tools, the Owner may not be able to provide the related functionality.

## **Data Controller**

CONTECH SRL

Via del Lazzaretto Vecchio, 2 | 34123 - TRIESTE

Owner's email address: [info@contechsrl.it](mailto:info@contechsrl.it)

Since the use of third-party Tracking Tools on this Application cannot be completely controlled by the Owner, any specific reference to third-party Tracking Tools is to be considered indicative. To obtain complete information, Users are kindly invited to consult the privacy policy of the respective third-party services listed in this document. Given the objective complexity of identifying tracking technologies, Users are invited to contact the Owner if they wish to receive further information regarding the use of these technologies on this Application.

## **Definitions and legal references**

Personal Data (or Data)

Any information that, directly or indirectly, even in connection with any other information, including a personal identification number, makes identified or identifiable a natural person.

Usage Data

This is information collected automatically through this Application (including from third-party applications third parties integrated into this Application), including: IP addresses or domain names of the computers used by the User who connects with this Application, the addresses in URI (Uniform Resource Identifier), the time of the request, the method used to forward the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response from the server (successful, error, etc.)

the country of origin, the characteristics of the browser and operating system used by the visitor, the various temporal connotations of the visit (for example the time spent on each page) and details relating to the itinerary followed within the Application, with particular reference to the sequence of pages consulted, the parameters relating to the operating system and the User's IT environment.

User

The individual who uses this Application who, unless otherwise specified, coincides with the interested party.

Interested

The natural person to whom the Personal Data refers.

Data Controller (or Manager)

The natural person, legal person, public administration and any other body that processes personal data for account of the Owner, as set out in this privacy policy.

Data Controller (or Data Controller)

The natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of personal data and the tools adopted, including security measures relating to the operation and use of this Application. The Data Controller, unless otherwise specified, is the owner of this Application.

#### This Application

The hardware or software tool through which the Personal Data of Users is collected and processed. Service The Service provided by this Application as defined in the relevant terms (if any) on this site/application.

#### European Union (or EU)

Unless otherwise specified, all references to the European Union contained in this document are intended to be extended to all current member states of the European Union and the European Economic Area.

#### Cookies

Cookies are Tracking Tools that consist of small pieces of data stored within the User's browser.

#### Tracking Tool

Tracking Tool means any technology - e.g. Cookies, unique identifiers, web beacons, embedded scripts, e-tags and fingerprinting - allowing tracking of Users, for example collecting or saving information on the User's device.

#### Legal references

Unless otherwise specified, this privacy policy applies exclusively to this Application.
