

Privacy Policy of www.contechsrl.it

This Application collects some Personal Data from its Users.

Data Controller

CONTECH SRL
Street Lazzaretto Vecchio, 2 | 34123 - TRIESTE

Owner's email address: info@contechsrl.it

Types of Data collected

Among the Personal Data collected by this Application, independently or through third parties, there are: Usage data; Tracking Tools.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or through specific information texts displayed before the collection of the Data itself. Personal Data may be freely provided by the User or, in the case of Usage Data, collected automatically when using this Application.

Unless otherwise specified, all Data requested by this Application is mandatory. If the User refuses to communicate them, it may be impossible for this Application to provide the Service. In cases where this Application indicates some Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the Service or its operation.

Users who have doubts about which Data is mandatory are encouraged to contact the Owner.

Any use of Cookies - or other tracking tools - by this Application or the owners of third-party services used by this Application has the purpose of providing the Service requested by the User,

in addition to the additional purposes described in this document and in the Cookie Policy.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Application.

Method and place of processing of the collected data

Treatment methods

The Data Controller adopts appropriate security measures aimed at preventing unauthorized access, disclosure, modification or destruction of Personal Data.

The processing is carried out using IT and/or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Owner, in some cases, other parties involved in the organization of this Application (administrative, commercial, marketing, legal, system administrators) or external parties (such as third-party technical service providers, postal couriers, hosting providers, IT companies, communication agencies) also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Managers can always be requested from the Data Controller.

Place

The Data is processed at the Owner's operational offices and in any other place where the parties involved in the processing are located. For further information, contact the Owner.

The User's Personal Data may be transferred to a country other than the one in which the User is located. To obtain further information on the place of processing, the User can refer to the section relating to details on the processing of Personal Data.

Retention period

Unless otherwise indicated in this document, Personal Data is processed and stored for the time required by the purpose for which it was collected and may be stored for a longer period due to any legal obligations or based on the consent of the Users.

Further information for users

Legal basis of the processing

The Owner processes Personal Data relating to the User if one of the following conditions exists: the User has given consent for one or more specific purposes; Note: In some jurisdictions the Owner may be authorized to process Personal Data without the User's consent or another of the legal bases specified below, until the User objects ("opt-out") such treatment. However, this is not applicable if the processing of Personal Data is regulated by art European legislation regarding the protection of Personal Data; the processing is necessary for the execution of a contract with the User and/or the execution of measures pre-contractual; the processing is necessary to fulfill a legal obligation to which the Data Controller is subject; the processing is necessary for the performance of a task in the public interest or for the exercise of public powers conferred on the Data Controller; the processing is necessary for the pursuit of the legitimate interest of the Data Controller or third parties. However, it is always possible to ask the Data Controller to clarify the concrete legal basis of each processing and in particular to specify whether the processing is based on law, provided for by a contract or necessary to conclude a contract.

Learn more about storage time

Unless otherwise indicated in this document, Personal Data is processed and stored for the time required by the purpose for which it was collected and may be stored for a longer period due to any legal obligations or based on the consent of the Users.

Therefore:

Personal Data collected for purposes related to the execution of a contract between the Owner and the User will be retained until the execution of this contract is completed.

Personal Data collected for purposes attributable to the legitimate interest of the Owner will be retained until this interest is satisfied. The User can obtain further information in this regard to the legitimate interest pursued by the Data Controller in the relevant sections of this document or by contacting the Holder.

When the processing is based on the User's consent, the Owner may retain the Personal Data for longer long until said consent is revoked. Furthermore, the Owner may be obliged to retain Personal Data for a longer period in compliance with a legal obligation or by order of an authority.

At the end of the retention period, the Personal Data will be deleted. Therefore, upon the expiry of such upon termination the right of access, cancellation, rectification and the right to data portability will no longer be available be exercised.

User Rights

Users can exercise certain rights with reference to the Data processed by the Owner.

In particular, within the limits established by law, the User has the right to:

revoke your consent at any time. The User can revoke consent to the processing of his/her data Personal Data previously expressed.

object to the processing of their Data. The User can object to the processing of their Data when it occurs by virtue of a legal basis other than consent.

access their Data. The User has the right to obtain information on the Data processed by the Owner, on certain aspects of the processing and to receive a copy of the processed data.

verify and request rectification. The User can verify the correctness of their Data e request its update or correction.

obtain the limitation of treatment. The User may request the limitation of the processing of own Data. In this case the Owner will not process the Data for any other purpose other than their conservation.

obtain the cancellation or removal of your Personal Data. The User can request the deletion of their Data by the Owner.

receive your Data or have it transferred to another owner. The User has the right to receive their Data in a structured, commonly used and machine-readable format and, where technically feasible, to obtain the transfer without obstacles to another owner.

lodge a complaint. The User can lodge a complaint with the data protection supervisory authority competent personnel or take legal action.

Users have the right to obtain information regarding the legal basis for the transfer of Data

abroad including to any international organization regulated by international law or constituted by two or more countries, such as the UN, as well as regarding the security measures adopted by the Data Controller to protect their Data.

Details on the right to object

When Personal Data is processed in the public interest, in the exercise of public powers to which the Owner is invested or to pursue a legitimate interest of the Owner, the Users have the right to object to processing for reasons related to their particular situation.

Users are reminded that, if their Data is processed for direct marketing purposes, they can object to the processing at any time, free of charge and without providing any motivation. If Users object to processing for direct marketing purposes, i Personal Data is no longer processed for these purposes. To find out if the Owner treats Data for direct marketing purposes Users can refer to the respective sections of this document.

How to exercise your rights

To exercise their rights, Users can direct a request to the Owner's contact details indicated in this document. The request can be filed free of charge and the Data Controller will respond as soon as possible

time possible, in any case within one month, providing the User with all the information required by law. Any corrections, cancellations or limitations of processing will be communicated by the Data Controller to each individual

of the recipients, if any, to whom the Personal Data has been transmitted, unless this proves impossible or involves a disproportionate effort. The Owner communicates these recipients to the User if he requests it.

Learn more about the treatment

Defense in court

The User's Personal Data may be used by the Owner in court or in the preparatory stages of its possible establishment for the defense against abuse in the use of this Application or related Services by the User. The User declares to be aware that the Owner may be obliged to reveal the Data by order of public authorities.

Specific information

Upon request of the User, in addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information regarding specific Services, or the collection and processing of Personal Data.

System logs and maintenance

For needs related to operation and maintenance, this Application and any third-party services used by it may collect system logs, i.e. files that record interactions and which may also contain Personal Data, such as the User IP address.

Information not contained in this policy

Further information in relation to the processing of Personal Data may be requested at any time from the Data Controller using the contact details.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by notifying Users on this page and, if possible, on this Application as well as, if technically and legally feasible, by sending a notification to Users through one of the contact details contact he has. Please therefore consult this page frequently, referring to the date of last modification indicated at the bottom.

If the changes affect processing whose legal basis is consent, the Owner will collect the User's consent again, if necessary.
